NOTES:

1. The Ministry of Corporate Affairs (“MCA”) has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to “Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid -19”, General Circular Nos. 20/2020 dated May 5, 2020, Circular No. 10/2022 dated December 28, 2022 and subsequent circulars issued in this regard, the latest being 09/2023 dated September 25, 2023 in relation to “Clarification on holding of annual general meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations

and Disclosure Requirements) Regulations, 2015 and MCA Circulars, the 30th AGM of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.

2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. The attendance of members attending the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of Companies Act, 2013.
4. Pursuant to Regulations 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards - 2 (SS-2), the particulars of Directors proposed to be appointed / re-appointed at the Annual General Meeting is given in the Annexure to the notice.
5. Explanatory Statement under Section 102 of the Companies Act, 2013 in respect of special business is annexed hereto and forms part of the Notice.
6. The Register of Members and the Share Transfer Books of the Company will be closed from July 30, 2024 to August 5, 2024 (both days inclusive).
7. In accordance with, the circulars issued by MCA and Securities and Exchange Board of India ('SEBI'), owing to the difficulties involved in dispatching of physical copies of the Annual Report of the Company and the Notice of AGM, the same are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participants (DP).
8. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Registrar & Share Transfer Agent in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.
9. Members are requested to furnish their bank account details, change of address and all other required details to the Registrar & Share Transfer Agent in respect of shares if held in physical form. In case of shares held in electronic form, these details should be furnished to the respective Depository Participants (DPs).
10. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers / copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s. Purva Sharegistry (India) Private Limited.

11. The Securities and Exchange Board of India (“SEBI”) has mandated that transfer of securities would be carried out in dematerialized form only w.e.f. 5th December, 2018. In view of the same and to avail various benefits of dematerialization, members are requested to dematerialize shares held by them in physical form. Members may contact the Company or Share Transfer Agent, for assistance in this regard.
12. SEBI vide its notification dated January 24, 2022 has amended Regulation 40 of SEBI Listing Regulations, and has mandated the Listed Companies to issue securities in dematerialized form only while processing service requests viz, issue of duplicate securities certificate, claim for unclaimed suspense account, renewal / exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificate / folios, transmission and transposition. Accordingly, members are requested to contact Company’s Share Transfer Agent, for assistance in this regard.
13. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. Purva Sharegistry (India) Private Limited at the Registered Office of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
14. Members may please note that the Notice of the 30th Annual General Meeting and the Annual Report for the year ended 31st March, 2024 will also be available on the Company’s website www.djsstocks.com for their download. For any communication, the shareholders may also send requests to the Company’s investor email id: djss2011@gmail.com.
15. 3. **Dividend & Reserves:**

The Board of Directors of your Company has decided not to recommend any dividend on the Equity Shares of the Company during the year under review and no amount of profit earned during the year was transferred to General Reserve.

4. **Listing on Stock Exchanges:**

At Present, the Equity shares of the Company are listed at BSE Ltd. The trading in the shares of the Company on BSE was suspended w.e.f. 21.12.2015 due to non-compliance. The BSE Limited vide by their letter dated June 28, 2024 has given In-Principle Approval for revocation of suspension in trading of equity shares of the company.

5. **Management Discussion & Analysis:**

General Elections in India are far more decisive for the equity markets and the investors compared to state assembly polls. Historically, more than the post-election performance, the pre-election period rally has provided good returns to the investors.

However, different sectors of the stock market react differently to elections based on their exposure to government policies and regulations. The positive atmosphere created by election results and political stability can attract foreign institutional investors (FIIs) and support the stock market. Previously, Indian stock markets have typically shown subdued responses to election results on the counting day. This means that the immediate impact of election outcomes on the stock market has been relatively limited. Management Discussion and Analysis report is being given under Corporate Governance Report.

An effective board ensures that management runs a company in the long-term interests of shareholders, whom the board is elected to represent. Over time, a board may become complacent or may need new skills and perspectives to respond nimbly to changes in the business environment or strategy. Regular and rigorous self-evaluations help a board to assess its performance and identify and address potential gaps in the boardroom. Shareholders value detailed disclosure of the board evaluation process when making voting decisions about directors. Disclosures about how the board evaluates itself, identifies areas for improvement and addresses them provide a window into how robust the board's process is for introducing change. To be clear, shareholders generally do not expect the board to reveal the details of individual director evaluations; rather, they want to understand the process by which the board approaches the task of continually improving itself.

The Nomination and Remuneration Policy of our Company empowers the Nomination and Remuneration Committee to formulate a process for effective evaluation of the performance of Individual Directors, Committees of the Board and the Board as a whole.

The parameters for performance evaluation of our Directors include contributions made at the Board meeting, attendance, instances of sharing best and next practices, domain knowledge, vision, strategy, engagement with senior management etc. The Chairperson of the respective Committees based on feedback received from the Committee members on the outcome of performance evaluation exercise of the Committee share their report to the Board of Directors.

The Independent Directors, at their separate meeting, review the performance of non-independent directors and the Board as a whole. Based on the outcome of the performance evaluation exercise, areas for further development are identified for the Board to engage itself with and the same would be acted upon. The details of the evaluation process are set out in the Corporate Governance Report, which forms a part of this Report.

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

Corporate Governance and ethics are two interrelated concepts that play a crucial role in shaping the behavior and decision-making processes within organizations. The relationship between corporate governance and the importance of ethics is fundamental to maintaining transparency, accountability, and sustainable business practices.

Ethics is closely linked to transparency and accountability, two pillars of good corporate governance. An ethically governed organization is more likely to provide accurate and transparent information to stakeholders. In accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto, (the 'SEBI Listing Regulations'), given below are the corporate governance policies and practices of DJS Stock and Shares Limited (the 'Company', 'DJS') for the financial year 2023-24.

This report outlines compliance with requirements of the Companies Act, 2013, as amended (the 'Act') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended as applicable to the Company. As will be seen, the Company's corporate governance practices and disclosures are well beyond complying with the statutory and regulatory requirements stipulated in the applicable laws.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Effective corporate governance practices constitute strong foundation on which successful commercial enterprises are built to last. DJS Stock and Shares Limited (DJS) philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all. Corporate Governance essentially involves balancing the interests of various stakeholders of the Company such as shareholders, management, customers, government, regulators and community. It entails managing business with accountability and with responsibility towards the shareholders in making accurate, adequate and timely disclosures of relevant information. It includes the processes through which the organisation's objectives are set and pursued in the context of the social, regulatory and market environment.

We, at DJS believes that efficient, transparent and impeccable Corporate Governance is vital for stability, profitability and achieving the desired growth for any organisation. The importance of such Corporate Governance has now further intensified, owing to ever-growing competition in business in almost all economic sectors, both national and international level. Therefore, the Companies Act, 2013 (hereinafter referred to as "the Act") and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "the SEBI (LODR) Regulations, 2015") have innovated means to make Corporate Governance in India optimally progressive and beneficial to all the stakeholders.

The Company's philosophy is aimed at conducting business ethically based on the following principles: -

1. Compliance with the relevant provisions of laws and conformity with accepted practices of Corporate Governance, Secretarial Standards provided by the Institute of Company Secretaries of India in true spirit;
2. Integrity in financial reporting and timeliness of disclosures;
3. Transparency in the functioning and practices of the Board;
4. Balance between economic and social goals;
5. Equitable treatment and rights of shareholders;
6. Maintenance of ethical culture within and outside the organization and
7. Maintaining independence of auditors.

The Company seeks to protect the shareholders' rights by providing timely and sufficient information to the shareholders, allowing effective participation in key corporate decisions and by providing an adequate mechanism to address their grievances, if any. This ensures equitable treatment of all shareholders. We ensure timely and accurate disclosure on significant matters including financial performance, ownership and governance of the Company. We implement the prescribed accounting standards in letter and spirit while preparing the financial statements, taking into account the interest of all the stakeholders and the annual audit conducted by an independent and qualified auditor. Investor updates are uploaded on the Company's website www.djsstocks.com and intimated to the Stock Exchanges for the benefit of its stakeholders.

Our Board periodically reviews the corporate's strategies, annual budget and sets implements and monitors corporate objectives. It effectively monitors the Company's governance practices and ensures transparent Board processes. Further, it appoints and compensates the key executives, monitors their performance, and strives to maintain the overall integrity of the accounting and financial reporting systems.

MANAGEMENT DISCUSSION AND ANALYSIS

Overall Outlook

India's broking industry has experienced massive growth ever since the years of the pandemic. According to reports from January 2024, 4.9 million demat accounts were opened in December of 2023 itself, with the year ending at a total tally of 139 million. This boom can be attributed to many aspects, such as an increase in overall income and a greater interest in the stock market. However, this influx of investors requires brokers to keep one very important factor in mind i.e transparency.

The evolving financial landscape demands that we as brokers ensure the well-being and interests of our clients. People and outlets have already labelled the money we handle for our clients as "A cheap and easy source of funding", a sentiment that may seem harmless but can impact client trust. Transparency is the cornerstone of any financial transaction.

Hidden charges and complex fee breakdowns can almost instantly turn away a potential client and erode existing investor confidence. SEBI has previously instructed all brokers to disclose the most important terms to investors, as a majority would not be aware of the various fees associated with the broking service.

Industry Structure and Development

Despite global challenges, the Indian stock market in 2023 exhibited resilience and growth, underpinned by strong domestic fundamentals and foreign investor confidence. The upward trend, driven by sectors like banking, auto, and real estate, along with proactive measures by the RBI and the government, indicates a positive outlook for the Indian market.

Looking ahead to 2024, these factors, combined with the anticipated socio-political stability and continued growth in corporate earnings, are likely to sustain the momentum in the Indian stock market. Investors, both domestic and foreign, may find ample opportunities in this landscape, highlighted by India's growing economic strength and market potential

Growth Sectors: In 2023, technology, communication services, and consumer discretionary sectors experienced considerable growth, buoyed by investor optimism about possible rate reductions in early 2024.

Sector Performance: The high-growth areas like technology, telecom, and consumer discretionary have been at the forefront of the S&P 500's performance in 2023. In contrast, sectors traditionally seen as defensive, such as utilities, healthcare, and consumer staples, have not kept pace.

In response to global trends, the RBI in India also raised the repo rate by a total of 250 basis points since May 2022 to curb inflation. However, rates have been maintained steadily since July 2023. The RBI forecasts consumer inflation to be around 5.4% for the fiscal year 2023-24, aligning with earlier estimates. RBI Governor Shaktikanta Das has clarified that policy relaxation is not currently under consideration, asserting that managing inflation demands active intervention and cannot be automated continued supply-side measures to control food inflation are expected.

Looking ahead to 2024, these factors, combined with the anticipated socio-political stability and continued growth in corporate earnings, are likely to sustain the momentum in the Indian stock market. Investors, both domestic and foreign, may find ample opportunities in this landscape, highlighted by India's growing economic strength and market potential.

Segment-wise/Product-wise Performance

The Company is engaged mainly in the financial services and as such there are no other reportable segment as defined by Indian Accounting Standard 108 on "Operating Segments" issued by the Institute of Chartered Accountants of India.

Outlook and Indian Economic Review

'Indian Economy – Review', This is not the Economic Survey of India prepared by the Department of Economic Affairs. That will come before the full budget after the general elections. This review takes stock of the state of the Indian economy and its journey and offers a brief sketch of the outlook for the economy. It provides an overview of the past, present and future of the Indian economy and takes a more detailed look at the government's policies and progress on various parameters in different sectors. It now appears very likely that the Indian economy will achieve a growth rate at or above 7% for FY24, and some predict it will achieve another year of 7% real growth in FY25 as well. If the prognosis for FY25 turns out to be right, that will mark the fourth-year post-pandemic that the Indian economy will have grown at or over 7 per cent. That would be an impressive achievement, testifying to the resilience and potential of the Indian economy. It augurs well for the future.

The global economy is struggling to maintain its recovery post-Covid because successive shocks have buffeted it. Some of them, such as supply chain disruptions, have returned in 2024. If they persist, they will impact trade flows, transportation costs, economic output and inflation worldwide. India will not be exempt from it, but having faced and seen off COVID and the energy and commodity price shocks of 2022, India is quietly confident of weathering the emerging disturbances.

The Indian economy is expected to grow in the next decade and it is considered the best time to invest in India. When it comes to picking stocks to invest in, the first thing most investors think of is stocks that are trending which will give them multifold returns. However, picking trending stocks will not give benefits in the long run. So, investors need to change their game of investing by investing in the best sector stocks that are likely to grow in the near future.

Option for picking stocks for growing sectors to make good profits in the long run. Few sectors such as FMCG, mining, and health care sectors are never going out of demand.

- Investors should invest in the best sector to invest in 2024 to earn maximum benefits from the stock market.
- Opt for picking sector-specific stocks that have good fundamentals.
- The Indian economy is likely to grow in the next decade. So, it is a good time to invest in the best sector.

In 2023-24, as per current estimates, it is estimated to have grown 7.3 per cent on top of the 9.1 per cent (FY22) and 7.2 per cent (FY23) in the previous two years, and the economy is generating jobs. This impressive post- pandemic recovery has seen the urban unemployment rate decline to 6.6 per cent.

Internal Control System

We have an adequate system of internal controls in place. We have documented policies and procedures covering all financial and operating functions. These controls have been designed to provide a reasonable assurance regarding maintaining of proper accounting controls for ensuring reliability of financial reporting, monitoring of operations, and protecting assets from unauthorized use or losses, compliances with regulations. We have continued our efforts to align all our processes and controls with global best practices. Some significant features of the internal control of systems are: The Audit Committee of the Board of Directors, regularly reviews the audit plans, significant audit findings, adequacy of internal controls, compliance with accounting standards as well as reasons for changes in accounting policies and practices.

The Board takes responsibility for the overall process of risk management throughout the organization. Through an Enterprise Risk Management program, our business units and corporate functions address risks through an institutionalized approach aligned to our objectives. This is facilitated by internal audit. The Business risk is managed through cross functional involvement and communication across businesses. The results of the risk assessment are presented to the senior management. During FY24, we assessed the effectiveness of the Internal Control over Financial Reporting and has determined that our Internal Control over Financial Reporting as at March 31, 2024, is effective.

Financial Performance w.r.t. Operational Performance

During the year under review, the Company has earned Total Revenue of Rs. 22,604.86 hundreds in comparison to Rs. 31,376.91 hundreds during the previous financial year. On the other hand, the Total Expenses were Rs. 25,226.26 hundreds as compared to Rs. 24,505.19 hundreds during the previous year. The loss for the current year was Rs. 2,633.28 hundreds in comparison with loss of Rs. 17,202.51 hundreds during the previous year. The Company is trying hard to grab the market opportunities and make it into a profit-making Company.

Safety, Health and Environment

Your Company as a matter of policy gives greater importance to safety, health and environment and also ensures compliance with applicable legislative requirements.

Human Resources

Our people are our best assets. Their caliber and commitment are our inherent strength. With the singular objective of always being the employer of choice in the Indian industry, we are encouraging our employees to discover and realize their true potential. Acquiring diverse experiences, accomplishing challenging tasks and continually learning and upskilling is enabling them to deliver their best. By identifying, developing and nurturing quality talent at every stage of the employee lifecycle, we are empowering them to become future ready and build rewarding careers. Keeping employee well-being foremost, we have embraced the post-

pandemic way of life and work. By institutionalizing hybrid mode of working, digitizing processes, refreshing our culture, we are collectively fostering new ways of working. Future ready trails of agility, digital mindset and customer centricity are being consciously imbibed, both in thought and action, at every level across the organization. Richer collaborations and stronger teamwork have accelerated our pursuit of excellence.

Key Financial Ratios:

In accordance with the SEBI (Listing Obligations and disclosures Requirements) Regulations 2018 (Amendment) Regulations, 2018, the Company is required to give details of significant changes in Key sector-specific financial ratios.

Cautionary Statement

Statements in the Report describing our objective, projections, estimates and expectations may be “forward-looking statements” within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to our operations include, among others, economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets, in which we operate, in addition to changes in government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of

DJS Stock and Shares Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of DJS Stock and Shares Limited (“the Company”), which comprise the balance sheet as at March 31, 2024, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2024, its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under

section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

- 2 As required by Section 143(3) of the Act, we report that:
- (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (iii) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (iv) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs.
 - (v) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (vi) With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in Annexure "B".
 - (vii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company does not have any pending litigations which would impact its financial position.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

e) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

(viii) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

DJS STOCK AND SHARES LIMITED**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DJS Stock and Shares Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control

over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Overview and notes to Standalone Financial Statements

General Information

DJS Stock & Shares Limited ('the Company') is a public limited company incorporated & domiciled in India and has its registered office at Coimbatore, Tamilnadu, India. The company is listed on Bombay Stock Exchange (BSE).

Note 1: Significant Accounting policies

1.1 Statement of Compliance

These financial statements are prepared in accordance with the Indian Accounting Standards (referred to as 'Ind AS') prescribed under section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, as amended from time to time. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to existing accounting standards required a change in the accounting policies hitherto in use.

1.2 Inventories

The company has held shares as stock in trade and the same are valued at lower of cost or market value.

1.3 Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

1.4 Property, plant & equipment:

All Property, Plant & Equipment's are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalized until the assets are ready for use and include freight, duties, taxes and expenses incidental to acquisition and installation.

Subsequent expenditures related to an item of Property, Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

1.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and recognized when it is probable that the economic benefits associated with the transaction will flow to the entity.

1.6 Financial Instruments

(A) Financial Assets

Recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

- (a) Measured at amortised cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.
- (b) Measured at fair value through other comprehensive income:** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- (c) Measured at fair value through profit or loss:** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised as 'other income' in the Statement of Profit and Loss

unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Market value of shares delisted from the stock exchange as on balance sheet date is taken as Nil.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss, if any.

(B) Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.7 Employee Benefits

The Company follows the policy of accounting for the same only on crystallization of the liability.

1.8 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.9 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.10 Leases**Policy Applicable from April 1, 2019**

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the

shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Short-term leases having a lease term of 12 months or less and low value leases are accounted for in the statement of profit and loss as a revenue item.

Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.
